Some of our network pharmacies have preferred cost-sharing. You may pay less for certain drugs if you use these pharmacies. Your cost-sharing may vary depending on the pharmacy you choose (e.g., Preferred Retail, Standard Retail, Preferred Mail-Order, Standard Mail-Order, Long Term Care (LTC), Home infusion, etc.) or whether you receive a one-month or a three-month supply or when you enter another phase of the Part D

benefit or if you receive “Extra Help.” For more information, please call our Member Services Department at the number provided in this document or access your Evidence of Coverage online. If you reside in a long-term care facility, your cost-sharing for a 31-day supply is the same as at a standard retail pharmacy for a 30-day supply. You may get drugs from an out-of-network pharmacy, but may pay more than you pay at an in-network pharmacy.

You can get prescription drugs shipped to your home through our network mail-order delivery program. Express Scripts PharmacySM is our Preferred mail-order pharmacy. While you can fill your prescription medications at any of our network mail-order pharmacies, you may pay less at the Preferred mail-order pharmacy. If you do not receive your prescription drug(s) within this time, please contact VillageHealth Plan’s Member Services. Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit www.villagehealthca.com or call 1-877-916-1234 to view a copy of the EOC.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2023.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care.
