You pay 25% of the negotiated price (and a portion of the dispensing fee) for your brand name drugs and 25% of the cost for your generic drugs.

Catastrophic Coverage Stage

After your yearly out-of-pocket drug costs reach \$7,400, you pay the greater of:

- 5% of the cost, or
- \$4.15 copay for generic (including drugs that are treated like a generic) and \$10.35 copay for all other drugs.

Some of our network pharmacies have preferred cost-sharing. You may pay less for certain drugs if you use these pharmacies. Your cost-sharing may vary depending on the pharmacy you choose (e.g., Preferred Retail, Standard Retail, Preferred Mail-Order, Standard Mail-Order, Long Term Care (LTC), Home infusion, etc.) or whether you receive a one-month or a three-month supply or when you enter another phase of the Part D benefit or if you receive “Extra Help.” For more information, please call our Member Services Department at the number provided in this document or access your Evidence of Coverage online. If you reside in a long-term

Important Message About What You Pay for Vaccines - Our plan covers most Part D vaccines at no cost to you, even if you haven't paid your deductible. Call Member Services for more information.

Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit www.villagehealthca.com or call 1-877-916-1234 to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2024.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care.
